San Rafael, CA 94903

Subject: General Manager Report – Monthly Report: June 2026

Dear Board Members:

Recommendation

This is a recurring information item.

Summary

The attached monthly report provides an overview of Marin Transit operations for the monthly period ending June 30, 2026. The monthly reports summarize statistics on the performance of Marin Transit services and customer comments.

Overall, Marin Transit experienced a stable **systemwide ridership** in June 2026. Total ridership was 2% higher than the previous year (June 2025) and 5% higher than pre-COVID (June 2019).

Matching the systemwide trend, **fixed route ridership** was stable this month, with ridership being 2% higher than the previous year (June 2025) and 15% higher than pre-COVID (June 2019).

The **Muir Woods Shuttle** experienced strong ridership this month, with ridership 15% higher than the previous year (June 2025). Note that this increase is despite operating for three fewer days than the previous year in June due to the new Friday through Sunday only schedule.

Yellow Bus ridership matched the systemwide trend, with ridership 2% higher than the previous year (June 2025).

Marin Access ridership dipped this month, with ridership being 12% lower than the previous year (June 2025).

Additional detailed analyses of system performance and trends are provided in separate quarterly and annual reports, including route-level statistics and financials. These reports are available on the District's website at <https://marintransit.org/service-performance-and-reports>.

Fiscal/Staffing Impact

None.

Respectfully Submitted,

A handwritten signature in black ink, reading "Asher Butnik".
