Welcome to Marin Transit Bus System!

Marin Transit is responsible for planning and providing local public transit in Marin County and offers a variety of services ranging from local bus service to various on-demand services.

Marin Transit will continue to operate regular service levels on local routes and looks forward to welcoming back more passengers this Fall. To address the transportation needs of students within the County, Supplemental routes and school service will be available for the new school year. Marin Transit has returned to full passenger capacity on all buses without social distancing restrictions. All bus riders are still required to wear a face covering while at bus stops and terminals, while boarding and disembarking, and for the duration of travel.

marin transit >>> connect

Marin Transit Connect is your connection to work, home, transit, and other destinations across Marin County. Our service is entirely on-demand and operates anywhere in the service area shown to the right, approximately 2.5 miles around each SMART station in Marin County.

Connect is now a part of Connect2Transit, an integrated program of mobility options within the Uber app brought you in partnership with the Transportation Authority of Marin. Connect2Transit offers three new features in the Uber app to help you get around Marin County:

- **Discounts on shared rides to and from major transit stations;**
- **On-demand microtransit available within the Uber app (Connect); and**
- **Real-time public transit information for Marin Transit, SMART and Golden Gate Bus & Ferry.**

To start riding, download the Uber app on your smartphone. Once you register, you'll be able to request a ride from any location—to any location—in the service area. You can track your ride in-real time with the app. You can also book your ride by calling our Marin Access line at (415) 454-0902 if you don't have a smartphone or talk to a Travel Navigator about receiving Marin Access pricing on Connect trips.

The Transportation Authority of Marin offers discounts on Connect and shared rides to and from major transit stations in Marin. This program is also available within the Uber app. Visit www.tam.ca.gov/connect2transit to learn more.
